The ABA would like to acknowledge that this event will take place on the Treaty 6 and 7 land. Originally home to the Blackfoot (Kinai-Blood Tribe, Siksika, Piikani, and Black Feet Nations), the Tsuu T'ina, Stoney, and Michif Piyii Métis peoples. This land was cared for and nurtured by Canada's Indigenous peoples long before the sport of biking was introduced. Their diligent care for the land has created an opportunity for us to celebrate in sport and give back to our Indigenous community by welcoming them to join us. Please help to ensure we leave the land in the best condition possible so future Indigenous generations can have the same connection to the land like their ancestors did.
